

Hope Teaching Personnel Is Announced

Teaching personnel for 1960-61 with teaching assignments as announced by James H. Jones, Superintendent of schools is as follows:

Senior High
Jack Batty, Principal, Jr.-Sr. High; Mrs. Roy Allison, Social Studies; John Barbarotto, Band; J. J. Durruthy, General Science; Mrs. Dora E. Caldwell, English; Earl Downs, Guidance; C. B. Garrett, Agriculture; Mrs. H. L. Hancan, Home Economics; Mrs. A. L. Hardage, English; Mrs. Hope B. Laster, Biology; Mrs. B. B. McPherson, Latin; Speech; Mrs. J. T. Merrill, Social Studies; Billy W. Mitchell, Math; Basketball; John Pierce, Coach; Physical Education; Mrs. Thurman Ridling, Commercial; Miss Mary Lou Roper, Librarian; Miss Vivian Ross, Social Studies.

Miss Peggy Shirley, Girls Physical Education; William D. Silavan, Mathematics; Mrs. Mary Nell Turner, Commercial; Publications; Mrs. Caroline Viswat, English; Mrs. Josephine Vesey, Study Hall; Mrs. N. W. Denty, Supervisor of Cafeterias.

Junior High
Gordon Beasley, Asst. Principal, Jr.-Sr. High; Mrs. Nita Balson, Social Studies; Mrs. Martha Brasher, Science; Mrs. Marie Holt, English; Librarian; Miss Sandra Jean Norman, Mathematics; and Mrs. Kathleen Nunn, Social Studies; Martin Pool Jr., English; Mrs. E. H. Stewart, Mathematics; Mrs. Ruth Jones, Study Hall; Wesley Huddleston, Science; Mrs. C. Hyatt, Music, Jr.-Sr. High (half-time).

Brookwood
Mrs. E. R. Brown, Principal, Music; Mrs. Louise Fuller, First grade; Mrs. Margaret Medders, First grade; Mrs. W. O. Boone, Second grade; Mrs. Grady Williams, Second grade; Mrs. Royce Weisenberger, Third grade; Mrs. Ruby Baber, Fourth grade; Mrs. G. L. Taylor, Fourth grade; Mrs. A. J. Caldwell, Fifth grade; Mrs. Mary Andrews, Sixth grade and Mrs. Lillian Ringo, Sixth grade.

Garland
Mrs. Helen Hatch, Principal Music; Mrs. Verna Jines, First grade; Mrs. Homer Reeves, First grade; Mrs. Earl Thomason and Mrs. Mary Ann Herndon, Second grade; Mrs. Donald Moore and Mrs. Emma Frances Holt, Third grade; Mrs. Jess Davis, Fourth grade; Mrs. Thomas Hays, Fifth grade; Mrs. Linton Crank, Fifth grade and Miss Kathleen Branch Sixth grade.

Paisley
Miss Mamie B. Holt, Principal, Music; Miss Estelle Caldwell, and Mrs. Denver Dickinson, First grade; Mrs. Paul Jones, Second grade; Mrs. Teddy Jones, Third grade; Mrs. W. E. White, Fourth grade; Mrs. E. W. Copeland, Fifth grade; Mrs. Arlis Adams, Sixth grade.

Some of the grade school teaching positions could be a tentative assignment, depending upon our first grade enrollment.

Personnel of the Yorgor Schools with assignments will be announced within a few days.

Weather

Experiment Station report for 24-hours ending at 7 a. m. Thursday, High 95, Low 71. No precipitation. Total 1960 precipitation through July, 22.42 inches; during the same period a year ago, 20.77 inches.

ARKANSAS REGIONAL FORECAST

All sections of Arkansas: Clear to partly cloudy and continued warm today, tonight and tomorrow with a chance of a few widely scattered afternoon or evening thundershowers. High today, low to mid 90s; low tonight, low 70s central, mid 60s to low 70s northeast and northwest, low to mid 60s to mid 70s, high tomorrow in 90s.

ARKANSAS: Partly cloudy this afternoon, tonight and tomorrow with widely scattered mainly afternoon thundershowers. Not much change in temperature. High today in 90s, low tonight mid 60s to mid 70s, high tomorrow in 90s.

LOUISIANA: Partly cloudy through Friday with widely scattered mainly afternoon thundershowers. Not much change in temperature. Low tonight in 70s, high Friday generally in 90s.

Hope Watermelons for Governor

AT THE ARKANSAS SHERIFFS' EXECUTIVE committee met with Governor Faubus to plan the 1961 convention, Sheriff Jimmie Griffin of Hope, right, presented the Governor with

two melons in behalf of the people of Hempstead. The two melons weighed 110 and 93 pounds, and were grown by Arnold Middlebrooks, a member of the Sheriff's staff.

Insurance for School Students

A school child accident insurance plan, under which the parents of every enrolled child in the Hope Public School system will be offered low cost accident insurance, has been approved by the School Board for the fifth year, James Jones, Supt. of Hope Public Schools, said today.

A school accident plan will assure every child attending school in Hope School District adequate medical attention in case an accident occurs to him in connection with his normal school activities.

"What the plan will do for your child," pays up to \$3,500 actual Doctor, Nurse and Hospital expenses resulting from accidental injuries; within a school building or on the school grounds or premises during the hours and on the days when school is in session, including the lunch period; or after school hours, or on days when school is not in session provided the insured is participating in any activity sponsored and supervised by the school.

Information explaining the plan will be sent to all parents by the students. Please study this plan and if interested, complete the application on the envelope and enclose \$2.00 and send back to the teacher.

Parents may elect a plan which has 24 hour coverage—12 months, per year and provides complete accident insurance not only at home, but at school or at play, on weekend, and during the entire summer when school is not in session. The cost is \$10 for 12 months.

10 in Truck Not Hurt in Wreck

MAGNOLIA, Ark. (AP)—A pickup truck carrying 10 Negroes to work in Magnolia overturned on U.S. Highway 70 today, but all occupants escaped serious injury.

Deputy Sheriff Doc Hodson quoted the driver, Lee Jordan of Emerson, as saying he lost control after a rear tire blew out.

Eight passengers suffered minor cuts and bruises.

Hodson said the Negroes at Lake Emerson and make a daily 12 mile trip to jobs in Magnolia.

Glow in Dark

RENNSELAER, N.Y. (AP)—The green fire hydrants in the city are getting a coating of phosphorescent yellow—so they'll glow in the dark, the Fire Department says.

Hints Split of China and Russia

NEW YORK (AP)—The Soviet Union was reported today to be distributing to Communist parties throughout the world an anti-Peiping "manifesto" designed to enlist mass support against Red China's challenge to Soviet leadership of the Communist world.

A dispatch from Washington to the New York Herald Tribune said existence of the document has been established "through information from behind the Iron Curtain and elsewhere and a summary of the manifesto's general line is available in high government circles."

The story speaks of a struggle for dominance within the Soviet bloc of nations and adds: "If Peiping is not soon brought to acquiescence with Moscow—or at least to silence about its disagreements—Washington would not be surprised if Soviet Premier Nikita S. Khrushchev attempted some form of Communist-bloc 'ideological quarantine' of Red China."

"The anti-Peiping 'manifesto' as it has been dubbed by Western diplomats' condemns those 'dogmatists' who mechanically interpret what Lenin said 40 years ago to mean that nuclear war is inevitable and that war is the only means by which the revolution can be made to triumph."

"This of course, refers to the Chinese argument that nuclear war is not to be feared because it would mean the triumph of communism over capitalism."

Slayer of Eight to Pay Penalty

KEY WEST, Fla. (AP)—A homicidal drifter from Kentucky today awaited a death sentence for one of eight slayings to which he has linked himself.

An all-male jury deliberated only 55 minutes Wednesday before convicting Emmett Spencer of first-degree murder, without a mercy recommendation. This makes it mandatory for Circuit Judge Aquilino Lopez Jr. to sentence Spencer to Florida's electric chair for the bloodstained slaying of Johnnie T. Keen, 52.

Spencer took the verdict calmly. Keen, a Key West Navy yard pipe fitter, was found fatally stabbed in his home April 15. Spencer was captured in Keen's car at Leesburg.

Spencer testified Keen must have been killed by Leon C. Hammel, a Jacksonville bartender who was traveling with Spencer and Mary Catherine Hampton of Sandy Hook, Ky. Spencer's home town, Spencer said he later killed Hammel in self-defense.

All Around Town

By The Star Staff

Season books to the Robert games this year may be used up completely at any time, according to Supt. James H. Jones. . . . There are six tickets in one book and the buyer may use all of those tickets at any game if he so desires. . . . The season books cost \$6 and six games at the rate would cost the fan \$9, a difference of \$3. . . . Previously each ticket had to be used at the game so designated and if not used it was void. . . . there will be no reserve seats in the stands this year, however, there are a few box seats left on both east and west sides. . . . if interested, contact the High School office.

Ladies working the TB Mobile Unit today include Mrs. Robert LaGrone, Mrs. Jan McKeen, Mrs. Conner Boyett, Mrs. Vincent Parker. . . . the afternoon workers include Mrs. Henry Stomons, Mrs. E. L. Arcner Jr., Mrs. Frank McIntyre and Mrs. E. P. Young Jr. . . . all members of the Junior Auxiliary.

George Rutlin Marshall of Shreveport, La. has been named assistant stage director for the

Senate Bill to Help Friends of America

By JOE F. KANE

WASHINGTON (AP)—The Senate has passed a \$3,399,047,000 foreign aid bill to help friendly nations, while barring aid to countries which help Cuba or the Dominican Republic.

The measure, which now goes to a Senate-House conference, would give President Eisenhower almost all the money he asked. . . . The Senate restored all cuts made by the House except 200 million dollars for military aid. It also added an extra 100 millions to deal with unforeseeable crises such as the Congo situation.

Democratic presidential nominee John F. Kennedy and his running mate, Senate Minority Leader Lyndon B. Johnson, led 30 other Senate Democrats in backing the President's requests. Twenty-six Republicans voted for the measure.

Seven Republicans and 19 Democrats voted against it, bringing the tally to 67-26.

Eisenhower originally had asked \$4,175,000,000. But in earlier legislation authorizing the program, Congress limited spending for the next year to \$4,000,000,000. The appropriation last year was \$3,000,000,000.

By voice votes, the Senate adopted amendments to: deny foreign aid funds to any country which provides either arms or economic help to Cuba's Fidel Castro regime; deny aid to any country which supplies arms to any Latin American country being subjected to economic or diplomatic sanctions by the Organization of American States—the target of this limitation was the Dominican Republic; limit U.S. aid to no more than 90 per cent of the total cost of the entire program in any country.

Nuclear Sub Ducks Under Icebergs

WASHINGTON (AP)—The American nuclear-powered submarine Seadragon, ducking under huge icebergs in the Arctic's northwest passage, has pioneered a short sea route from the eastern United States to Alaska.

The Navy announced the Seadragon's feat Wednesday. It said the sub had blazed the trail for a possible military and commercial route through the Parry Channel. The trip also helped develop techniques and test equipment for submarine under-ice operations.

The Seadragon left Portsmouth, N. H., Aug. 1. It headed north between Greenland and Labrador through Baffin Bay, then west through a series of sounds and straits designated as Parry Channel. Part of the trip was made on the surface, part under water.

At one point the submarine passed down more than 200 feet to get under an iceberg 700 feet wide and 1,471 feet long. Five earlier submarine efforts to make the east-west passage on the same route had failed because heavy block ice forced the vessels to detour.

Way Is Cleared for a Compromise on the Minimum Wage Bill

Red Accused Diplomat Shot to Death

ROME (AP)—Harold Charles Gibson, a former British diplomat once accused by the Communists of tinkering in anti-Red underground activities, was found shot to death today in his Rome apartment.

Police said the London-born former first secretary of the British Embassy in Rome had taken his own life with a pistol. Police said they found a letter written shortly before his death. Neither police nor the embassy would disclose its contents.

Gibson, 63, resigned as embassy first secretary two years ago. The embassy said he still served on the staff there, but would not say in what capacity.

In his pre-Roman past Gibson had mysterious charges reported against him by Communists behind the Iron Curtain. His name was among those mentioned in a Czechoslovakia Communist treason trial in Prague after 1948 as having been involved in anti-Communist underground conspiracies.

He leaves his widow, Ekaterina Alfinova Lesenko, 42, a blonde Romanian-born dancer, who runs a ballet school in Rome. They were married in 1951 and have a 10-year-old son who attends school in England.

Negro Truck Driver Killed in Wreck

Late yesterday on Highway 4, about eight miles southeast, a loaded pickup truck went out of control and hit a tree, crushing its driver to death. No other vehicle was involved.

Driver of the truck was Nathan Hendrix, about 32, a resident of Prescott Blk. 4. The body was returned to Hope by a Herndon-Cornelius ambulance.

Hope City Police investigated two accidents, one occurring at Third and Walnut with cars driven by Joel B. McCall of Texarkana, the second car driven by Mrs. Henry Ward of Rosston and the third vehicle, a Hope Beverage Co. truck driven by William Burnett. Both the cars were slightly damaged when the three vehicles bumped at a stop light.

At Third and Hervey yesterday cars driven by George C. Mellows of Mt. Pleasant, Pa. and Mrs. Dale Harris of Malvern, collided with only door damage to the Malvern auto. Mellows was charged by City Police with running a red light.

Mrs. Powers Visits With Husband

By STANLEY JOHNSON

MOSCOW (AP)—Barbara Powers had a final secret meeting Wednesday with her husband, Francis Gary Powers, her lawyers disclosed today. The young couple were left completely alone behind the closed door of his prison cell for more than an hour.

It was the first privacy they had had since before he left Turkey for his May Day U-2 flight over the Soviet Union, which touched off an explosive situation internationally and led him to a 10-year sentence for espionage.

"Barbara is much brighter now than we've seen her for some time," said attorney Frank Rogers of Roanoke, Va.

Rogers and lawyer Alexander Parker of Richmond, Va., also told newsmen they had been unable to get satisfactory receipts for Barbara's mercy petition to the Soviet Union.

Continued on Page Two

2nd District Has Fewer People

WASHINGTON (AP)—Preliminary 1960 census figures show that Arkansas' 2nd District is the third least populous congressional district in the country.

A compilation of population totals of congressional districts released by the Census Bureau shows that Arkansas' 2nd District now has a total of 181,257 persons.

The only smaller districts in the country, the bureau said, are the 12th Michigan, with 175,968 and the 2nd South Dakota, with 101,190.

Most populous district in Arkansas is the 1st, with 350,105. Preliminary figures for the other districts in the states give these totals: 3rd, 298,035; 4th, 299,003; 5th, 316,000, and 6th, 317,171.

District population totals become an important factor in reapportionment where states gain or lose House seats as a result of a new census. Indications are that Arkansas will lose two of its six seats in 1962 because of a population drop.

The state Legislature will have the task of reapportioning the state. If it fails to do so House members will have to be elected at large—on a state wide basis in 1962.

Retire at 62 Plan Is Defeated

WASHINGTON (AP)—Senate-House conferees on the Social Security bill were reported today to have knocked out a Senate provision that would permit men to get retirement payments at age 62 on a reduced scale.

Another Senate provision which would raise to \$1,000 the amount a person can earn in a year and still get Social Security retirement benefits, has been considerably watered down. It was understood the conferees largely accepted the Senate formula. It provides for larger payments than the House version.

However, they did not act finally on the question of allowing such grants to be used for care of the mentally ill and tubercular patients. This was to be considered later.

The administration opposes this because of its cost, estimated at about 120 million dollars a year.

Auto Safety Check Here Saturday

The safety-check in Hope is part of the annual National Vehicle Safety-Check for communities sponsored by the Auto Industries Highway Safety Committee. Look, with the cooperation of the Association of State safety coordinators.

In 1959 more than 2,000 communities in 31 states that do not require inspections conducted voluntarily checks. Over three million cars were checked and thousands were found unsafe.

One out of every five vehicles checked needed immediate attention.

A "Safety Checked" windshield sticker reassures owners their vehicles were checked and found in safe operating condition.

Hope Jaycees will have two traffic check lanes set up on 4th Street between Main and Walnut Street. Saturday morning from 9 until 11 o'clock and Saturday afternoon from 2 until 4 o'clock.

Action Signals Go-Ahead for the Congress

WASHINGTON (AP)—The House Rules Committee gave a go-ahead signal today for compromise on minimum wage legislation.

By a vote of 8-3, it cleared the way for Senate and House conferees to work out differences between the bills passed by the two branches.

The Senate bill would hike the minimum wage from \$1 to \$1.25 hourly and extend coverage to about four million more workers. The House bill would provide for \$1.15 an hour and coverage for a million additional employees.

The Senate measure was backed by Sens. John F. Kennedy of Massachusetts and Lyndon B. Johnson of Texas, the Democratic presidential and vice-presidential nominees. It was opposed by the Eisenhower administration.

There were indications that the compromise, already informally worked out, would keep the wage rate at \$1.15 but extend coverage to around three million extra workers.

The Rules Committee action was in keeping with a reported agreement by Democratic leaders not to press for housing and school aid bills. In exchange for clearance of the wage measure, the Rules Committee had refused to clear the housing and school bills and had threatened to tie up the wage bill as well. If sponsors of the other measures insisted on trying to get them cleared.

The reported agreement would clear the biggest obstacle to adjournment of the post-convention session of Congress next week.

It apparently was based on the factors:

1. The House Rules Committee seems determined not to let a school aid bill go to a compromise committee. It still is blocking a general housing bill and it has issued a thinly disguised ultimatum that if efforts are made to pry those two bills loose, a minimum wage bill may suffer the same fate.

2. The post-convention session isn't making the Democratic leadership look too potent, and the longer it lasts the darker the picture may be.

3. Sen. John F. Kennedy of Massachusetts and Senate Majority Leader Lyndon B. Johnson of Texas, the Democratic presidential and vice-presidential nominees, want to hit the campaign trail as quickly as possible but don't want to desert their leadership roles while Congress is in session. The pressure for quick adjournment is coming from the Senate, which normally drags its feet on ending a session.

4. Legislation acted on so far during the abbreviated session is falling into a pattern more to the liking of President Eisenhower than of Kennedy and Johnson.

There still was some talk of a possible adjournment this week end, but House Speaker Sam Rayburn (D-Tex.) said he didn't see how Congress could possibly get through by then.

The outlook now is that a limited program of medical care for the aged and a modified minimum wage bill will be sent to President Eisenhower in such form that he will not veto them.

A Senate-House conference committee started work Wednesday on the medical aid bill and expects to reach full agreement today. In general, it agreed to most provisions of the Senate bill, but disagreed temporarily over a Senate provision to include aid for mental and tubercular patients.

Congressmen Picket

WASHINGTON (AP) — Four congressmen staged a picket line at nearby Glen Echo, Md., amusement park Wednesday night to protest its ban on Negroes.

The sign carriers were Reps. Charles O. Porter (D-Ore.), Adam Clayton Powell (D-N.Y.), Seymour Halpern (D-N.Y.) and Charles C. Diggs (R-Mich.).

Wanted a Fight

LITTLE ROCK (AP) — Police said two 13-year-old boys tried to enlist wrestling matches here last night. They shot paper clips at the wrestlers with rubber bands, explained Lt. N.H. Heard, who took them to a juvenile home.

TELEPHONE TALK

Fred D. Gray, Wire Chief, Hope, Arkansas

Rain at Last

Last week we had some of the rain here in Hope that we had been waiting for so long. As usual, after a long dry spell, we at the Telephone Company, were kept busy from it. The cables that your phone lines are in get small cracks and cuts in them that we do not know about until it rains; then they get wet and interrupt your service. We are now working on a project which will help prevent this in the future. In the Telephone Office we have an air compressor that pumps air into a drier; then out into the cables. The cable will have this air pressure in it at all times. As soon as we can seal all the places that leak, the cables will be moisture proof and there will be no interruptions from rain. We plan to have this project completed by the first of the year or very soon afterwards. This will assure you better telephone service.

Something Free

The award-winning Bell Telephone Hour series will be back on your TV screens again this fall and winter. Starting September 30, the popular musical show will be seen on alternate Fridays throughout the season.

Last year, the series won four major awards, including the Look Magazine Award and the Peabody Award. It was a nominee for an "Emmy" for the "Best Television Musical," too.

Also coming up this winter will be another of the entertaining Bell System Science Series shows. And after the telecast, it, like the other Science Series shown of past years, will be available in a 16mm. color film version for showing by schools, clubs and other interested groups.

Incidentally, if you'd like to borrow some telephone company films, call or write the Telephone Business Office PR-74601, and we'll send you a booklet describing all the free programs available.

How to Save 1/3

It's so easy to save yourself a lot of money. How? By placing your long distance calls station-to-station (to a distant number rather than to a particular person).

Here's the way to do it:

1. Give the operator the name of the city you want to call.
2. Next, tell her the number you are calling.
3. When the operator asks, give her the number you are calling from, and be sure to give her your complete number.

Why not try it tonight? Remember, rates are lower after 6 p.m. and all day Sunday.

Call by number. It's twice as fast.
SOUTHWESTERN BELL-ARKANSAS

Prescott News

Rainbow Girls Honor Grand Worthy Advisor

Prescott Assembly No. 87 and Rainbow Assembly No. 88 of the Order of Rainbow for Girls honored Miss Kay Wilson, Grand Worthy Advisor of the Order of the state of Arkansas and her officers on Thursday with a reception at the Prescott Masonic Hall.

The serving table was covered with a white linen cloth and centered with an arrangement of yellow mums and greenery. Serving the food cakes decorated with yellow and green and the punch were Miss Helendale Ledbetter, Miss Simone Webb and Miss Nancy Bralton.

The assembly presented a corsage of split yellow mums to the Worthy Advisor and the state mother advisor, Mrs. Grace McCouhey.

Following the reception the assembly presented Miss Wilson with a treasure chest filled with treasures from her highway of happiness. The formal meeting was opened by the Prescott Assembly.

The Worthy Advisor, Miss Mary Adam, then presented the bavel to the Worthy Advisor of Rainbow Assembly, Miss Margaret Thompson, who presided during the introduction and closing. The grand worthy advisor and the state mother advisor were introduced and seated in the East.

The elected grand officers attending were Grand Hope, Lou Davis Grand Faith, Charlotte Bartey; Grand Appointments in office attending were Grand Love, Sheila Winkler; Grand Immortality Mary Beth Thompson. The Assembly's were honored to have Miss Betty Clark of Memphis, a grand choir member present.

The G.W.A., assisted by Grand Faith, made the fall appointments for Rainbow Assembly.

Prescott appointments were Grand Page, Simone Webb and Grand Choir Wanda Taylor and Ellen Rettig.

Miss Wilson gave an interesting address to the members. Following the meeting the girls enjoyed a swimming party and picnic at the local pool.

Mrs. Hudson Entertains Bolivia Club Friday

The home of Mrs. A. W. Hudson was beautifully decorated with summer flowers and potted plants on Friday when she entertained the 1960 Bolivia Club.

High score honors were won by Mrs. H. J. Wilson.

A salad course and punch was served to Mrs. N. N. Daniel, Mrs. Wilson and members Mrs. J. B. Hesterly, Mrs. C. G. Gordon, Mrs. Imon Gee, Mrs. E. M. Sharp, Mrs. Homer Ward and Mrs. J. V. Fore.

Mr. and Mrs. Scott Smith and Scotty of Little Rock were the weekend guests of Mr. and Mrs. John Davis and Mrs. Robbie Wilson.

Mr. and Mrs. Bob McBrayer and Monica Kay of Arkadelphia spent last week with their parents, Mr. and Mrs. R. C. McBrayer and Mr. and Mrs. L. L. Buchanan.

Mr. and Mrs. Floyd Leverett and Amelia of Hope were Sunday guests of her parents, Mr. and Mrs. Ira Davis.

Mr. and Mrs. John Allen Culp and Tommy of Gurdon were the Sunday guests of Mr. and Mrs. Roland Culp, where John Allen Culp III was christened at the morning service at the First Methodist Church.

Mr. and Mrs. Guss McCaskill had as weekend guests, Mrs. Bob Robertson, Bobby and Susan of West Memphis.

Mr. and Mrs. Earl Eppler were Friday visitors in Stamps.

Dr. and Mrs. Wayne Jordan and Janet spent the weekend in Monticello and were accompanied home by Jeff and Bev Jordan who had been visiting Mrs. Geo. Boydin and Mrs. B. E. Jordan, their grandmothers.

Mr. and Mrs. Johnny Hines, Mrs. Harrell Hines, and Mrs. Wilburn Willis motored to Texarkana Friday.

Four Killed in Louisiana Wreck

OPELOUSAS, La. (AP) — The top of a 1959 sedan was sheared off when it smashed into the rear of a trailer-truck and four teenagers were killed and another critically injured Tuesday night.

Dead are Kenneth Lee McJunkins, 18; Connie Frances Hatten, 17; Shirley Ann Randall, 17; and Sherry Mayer, 17.

In critical condition with undetermined injuries is Freddie Leblanc, 18.

All were from Port Barrie, La.

Many, Many Miles
ALBANY, N.Y. (AP) — Motorists traveled 1,225,277,235 miles on the New York State Thruway in the first seven months of this year.

Mrs. Powers

Continued from Page One

Soviet President Leonid Brezhnev when it was delivered today.

Consequently, they said, they took it away with them and mailed it from a postal box in a downtown hotel.

The two lawyers had gone to Brezhnev's office to deliver a short handwritten letter from Barbara begging the Soviet President to arrange a reduction in the 10 year sentence given Powers last week for espionage.

Barbara already had asked Soviet Premier Nikita Khrushchev, vacationing in Yalta, to grant her an interview.

Unless a meeting is arranged with Khrushchev or Brezhnev, she will leave Moscow Friday for Paris. Accompanied by her mother, Mrs. Montine Brown of Milledgeville, Ga., and her doctor, James Baugh, she plans to spend a few days in the French capital with a brother of Dr. Baugh.

Powers' mother and father, Mr. and Mrs. Oliver W. Powers of Pound, Va., arrived back in New York Wednesday night.

By LEWIS GULICK

WASHINGTON (AP) — U.S. officials said today Moscow has promised an answer soon to repeated requests that an American Embassy official be allowed to talk with convicted U2 pilot Francis Gary Powers.

However, expectations were that the Soviets for their own purposes, would not agree now to either personal or official clemency pleas for Powers.

Chances of winning freedom for Powers, under a 10-year sentence for spying were regarded as likely to be better later on after the tumult over his case subsided. He has been in Soviet custody since his plane went down deep inside the Soviet Union last May 1.

Powers' wife, Barbara, is preparing an appeal for clemency to President Leonid I. Brezhnev of the Supreme Soviet, or Parliament, the body which formally deals with such requests. She also has asked for a personal interview with Premier Nikita Khrushchev to plead for her husband.

The pilot's parents, Mr. and Mrs. Oliver W. Powers of Pound, Va., arrived in New York Wednesday night after attending their son's trial. The elder Powers told newsmen he doubted that clemency appeals would succeed. But the parents still were clinging to hope their son soon could come home.

Pond Dragged for Boys Body

HAMPTON, Ark. (AP) — A hundred searchers dragged a stock pond and thrashed through woods hunting 10-year-old Garland Prudhomme Jr.

His grandmother, Mrs. Mabel Shaw, had reported him missing yesterday after she failed to find him at the highway cafe she and the boy's father operate near here.

Finally someone contacted the father in El Dorado, Garland they discovered, had gone home with his father.

E. Germans Tell of Betraying

BERLIN (AP) — One of the top brains of the East German aircraft industry, Manfred Gerlach, 55, has confessed to betraying secrets of Communist jet aircraft production to West Germany, East German authorities announced today.

The Communist party newspaper, Neues Deutschland, reported that the engineer's trial for espionage opened in Dresden Wednesday.

The East German regime also announced Wednesday the arrest of 147 alleged agents for the American espionage service.

Western officials speculated that the Communist regime might be making Gerlach the scapegoat for the delay in producing the long-promised East German jet airplane.

The first prototype was supposed to have been ceremonially handed over to Communist party head Walter Ulbricht on May 1, 1959. But it crashed on a test flight the previous March and was destroyed. There were unofficial reports of arrests after the crash but no word of any trial.

Damage Suit Under Study

LITTLE ROCK (AP) — U.S. District Judge J. Smith Henley has taken under advisement a Jefferson County farmer's suit for \$10,000 damages resulting from government river work near his property.

Arthur P. Lee, 67, testified that he has lost 35 acres of his 225-acre farm during the past three years because of a new channel cut by Army Engineers at Henley Bay cutoff.

E. B. Madden, a hydraulic engineer for the Corps of Engineers, testified that the project kept the river from taking all of Lee's low-lying land and therefore was to the farmer's advantage.

Madden said that at most Lee lost only 23 acres.

Oklahoma Having Racial Trouble

OKLAHOMA CITY (AP) — A charge of failure to set up a negotiating organization was directed at Oklahoma City restaurant owners Wednesday by an official of Gov. J. Howard Edmondson's Committee on Human Relations.

Olen Nally, executive secretary of the governor's committee, said his office has received no answers to the committee's request that restaurant operators organize a group to negotiate a settlement in the dispute over serving Negroes.

The committee made the proposal in letters sent to the restaurant owners last Friday.

A Negro boycott of downtown businesses to back up demands restaurants be integrated entered its fourth day today. Merchants still said the boycott has not affected Negro trade to any alarming degree. But Negroes contend the boycott is becoming more and more effective.

Arkansan Cited

TOKYO (AP) — A U.S. Air Force rescue helicopter crew led by Lt. Ardit L. Kollar of Little Rock, Ark., the pilot has been commended for "outstanding perseverance, skill and courage" in rescuing a sailor 150 miles at sea.

The commendation from Rear Adm. Frederic S. Wilmington yesterday resulted from a rescue mission Monday.

Troops Dig in at Congo Airport

LEOPOLDVILLE, the Congo (AP) — Sudanese and Ghana U.N. soldiers dug in at Leopoldville airport and set up machine guns today in the face of Congolese demands for return of the airport to Congolese control.

The United Nations remained firm in the face of threats that the Congolese army intended to move back into the airport from which Premier Patrice Lumumba's units were ousted last week after a series of clashes with U.N. personnel.

The Congolese army completed the present phase of its airlift of men to Kasai province. The last of 12 planes used in the airlift took off this morning with 40 soldiers.

Tribal war continues in Kasai and Lumumba's political opponents there have declared their intention of setting up a new province with a large degree of autonomy.

New IBM Machine

WASHINGTON (AP) — Development of a new type of high-speed computer machine—as a kind of electronic library and law clerk—was claimed today by the International Business Machines Corp.

IBM said some of its computers have been set up to locate legal information in record time and present it in written form.

Legal information is stored on magnetic tape within the machine. By feeding key words into the machine, desired statutes containing the descriptive words are cited automatically.

Col. Barton Is Doing Better

LA JOLLA, Calif. (AP) — Col. W. H. Barton of El Dorado, Ark., was reported "getting along satisfactorily" today after being hospitalized for a heart ailment.

A physician had said yesterday that Barton was in critical condition.

Wednesday Bridge Club Meets
With Mrs. S. L. Murphy
A local Tuesday Bridge Club had its weekly meeting in the home of Mrs. S. L. Murphy on Aug. 24. Quizzes, lilies, zinnias and other summer flowers were used in attractive arrangements. Mrs. C. P. Tolleson was a club guest when the two ladies met. High score and game prizes were won by Mrs. John Brill and Mrs. T. W. Wardlaw, respectively. For refreshments, pie and coffee was served.

Miss Mary Jo Elder and Lyman G. Armstrong Jr. Are United In Marriage

On Aug. 24 at the Trinity Methodist Church, Madison, Ind., Miss Mary Jo Elder and Lyman G. Armstrong Jr. were married. The Rev. Charles Ballard performed the ceremony before members of the immediate families and close friends. Parents of the couple are Mrs. E. E. Willman of North Vernon, Ind., and John J. Elder of Madison, Ind., and Mr. and Mrs. Lyman G. Armstrong Sr. of Madison, Ind., former resident of Hope, Ark. Mr. and Mrs. Thompson Evans of Hope are grandparents of the groom.

The couple will reside at Conway, where he will enter Hendrix College this fall.

Mrs. Lyle Brown Hostess to Tuesday Bridge Club

Mrs. Byron Hefner and Mrs. Harry Hawthorne were guests of the Tuesday Bridge Club which met with Mrs. Lyle Brown on August 23. High scorer for the afternoon was Mrs. George Robinson and Mrs. Hawthorne was second high. Zinnias and other summer flowers decorated the home. A salad plate and coffee were served.

Coming and Going

Mrs. Jerry Bowden and Robbie of Miami are visiting in Hope with Mrs. C. D. Lauterbach and the Dickie Lauterbachs.

The Joe Polk family spent the weekend in Ft. Worth, with Mr. and Mrs. W. H. Brazell and in

Dallas with Miss Linda Polk.

Alman 2-c Monroe Willis left last week for South Carolina and then Africa after a three-week visit with his parents, Mr. and Mrs. Monroe Willis.

Carolyn Strong has returned home after eight weeks as a counselor at Camp Riva-Lake near Winchester, Tenn. She was an assistant in directing arts and crafts.

Mr. and Mrs. Thurman Ridling returned home Monday from a visit in Groves, Tex. with relatives. In Bridge City, Tex. they and Mr. and Mrs. Robert Ridling also visited with Mr. and Mrs. Eugene Ridling.

Mr. and Mrs. Bill Rowe and children of Houston have been visiting their parents, the Atter Rows of Prescott, and the J. M. Watsons of Emmet and her sister, Mrs. Billy Campbell of Bloomsburg for the past two weeks.

Henry McHarg of Chevy Chase, Md., arrived Wednesday to visit his grandmother, Mrs. R. L. Gosnell.

Mrs. Elmer Smith and daughters and Mrs. H. L. Powell have returned from a vacation in Canyon City, Colo.

Dr. and Mrs. Lloyd Guerin and family are home after a trip to Memphis, where he visited the film company that processes the film of our high school football games. The Guerins also visited in Forrest City and Little Rock.

Bill Brown of Benton is visiting his grandparents, Mr. and Mrs. Fred Fornly.

Mrs. Jimmie Miller of Little Rock visited her sister, Miss Wilma Boswell on Wednesday.

Volcano Erupts

KODIAK, Alaska (AP)—A volcano erupted on the Alaska Peninsula Monday, spewing volcanic ash over a 5-mile square area and blotting out the sun. There were no reports of any injuries.

Ministers See No Hope for Castro

By STANFORD BRADSHAW

SAN JOSE, Costa Rica (AP)—Latin American foreign ministers today abandoned hopes of serving as peacemakers between Fidel Castro and the United States. There were growing indications that Cuba would take a walk as the Organization of American States meeting of foreign ministers began drafting a resolution condemning foreign—and particularly Communist—meddling in the Western Hemisphere.

Castro rushed a special envoy here with a message to the Cuban delegation after hurling defiance at the OAS in a speech Wednesday and pledging friendship with the Soviet Union and Red China. Diplomats of other Latin American nations said the bearded Prime Minister had pulled the rug from under their efforts to get him to accept the good offices of neighbor nations in settling his bitter battle with the United States.

Castro's remarks were generally taken to mean that the Cuban delegation would walk out of the conference, but Cuban Foreign Minister Raul Roa was expected to deliver a sharp attack on the United States before making his exit.

Roa promised a reply today to the charge by U.S. Secretary of State Christian A. Herter that Cuba has become communism's beachhead in the Americas with the aim to overthrow every other government in the hemisphere by force.

Herter called on the ministers Wednesday to "vigorously condemn Soviet and other Communist intervention in our affairs and clearly indicate our great concern over Cuba's toleration and encouragement of such intervention."

Roa shifted uneasily in his seat as Herter was applauded after blistering 35-minute speech denouncing the Castro regime. A dozen other foreign ministers joined with the American secretary in condemning foreign meddling in the hemisphere's affairs, although several expressed sympathy for the Cuban revolution.

Several of the ministers linked the Communist intervention with discontent in Latin America caused by poverty and underdevelopment.

Argentina called for a new "Marshall Plan" for Latin America.

The United States has introduced a draft resolution recommending the American governments unite "in a common continuing cooperative effort to foster economic progress." The ministers are expected to approve a call for new joint economic efforts but the drafting of the program is expected to be referred to another conference scheduled to open in Bogota, Colombia, Sept. 5.

Abandonment of Rail Before FCC

HARRISON, Ark. (AP)—Proposed abandonment of the 71-mile Arkansas & Ozarks Railroad went before the Interstate Commerce Commission hearing today.

The hearing, originally set for Little Rock but later shifted to here, was on A&O's petition to abandon service on its line from Harrison to Seligman, Mo. Service on the line was discontinued after a flash flood washed out some trackage May 6. The shutdown brought protests from shippers and business men who tried, unsuccessfully, to get a U.S. District Court injunction to prevent abandonment.

The shippers said halting the rail service would hurt the area's economy.

Railroad officials contend that the line has lost \$205,000 in five years.

The Arkansas Commerce Commission has intervened on behalf of the shippers and businessmen.

DOROTHY DIX

Will He Keep His Promise?

By HELEN WORDEN ERSKINE

Dear Helen:

I don't go along with you about not expecting a sailor or soldier to keep a promise to stay true. I am engaged to a wonderful guy in the Army who is stationed in Korea and has been since last November. I believed him when he left and said he would be true to me. I still believe him. You never only of those who broke their promises. You never hear of those who kept them.

Well, here's one that has held to his promise and will continue to do so. We are to be married as soon as he comes home. My advice to the girl whose boy friends are in the Services is: "Have confidence in your man. Don't distrust him until he gives you reason to do so." —Mary Ann T.

Dear Mary Ann T.: It all depends upon the character of the boy. Your friend seems to be a fine upstanding youngster. If he weakens, he's compassionate. He's a long way from home!

Dear Helen:

About 14 months ago I met a perfect gentleman in words, manner and—most of all, actions. My started dating and ended up going steady. He told me he was divorced. My family didn't know this until my brother carried the news to my mother. I don't hold it against him. He was probably doing it for what he thought was my own good.

I told my mother I would stop seeing this man but I haven't. I am 20 years of age, haven't got a lot of money, nor the best clothes or a car but he worships the ground I walk upon. I have broken with him three times but still go back. The reason for the break is not lack of love. My nerves are getting the best of me because of our secret meetings. I pick on him no end. He takes it. We are of a faith which does not recognize divorce, which is one of the main reasons for the family interference. Am I doing the right thing? Should I end it permanently? —Nervous Wreck

Dear Nervous Wreck: To deceive your mother is wrong. Don't sully your love by subterfuge. Meet the issue in the open.

If your love is strong enough to go contrary to your religious upbringing, then risk the marriage. But whether you do or don't, be honest with your family and yourself.

Dear Helen:

This summer I met a boy stationed for eight weeks at a submarine base near my home. He fell in love with me and I with him. But—he is in the Spanish, not the U.S. Navy. How does he go about getting into the United States permanently?

He wants to get a job here so that we can marry as soon as I finish school. Please help. It means an awful lot to the boy and myself. —N

Dear N.: Being in the service of her country, he should know the answer. Ordinarily he would expect to finish out the term of his enlistment and put his name on the quota, which by the way is small. The Spanish consul in New York suggests you consult the American immigration authorities as to whether there is any way of shortening the waiting period. If, after you graduate, you and he still love one another, why not try Spain the first years of your married life? It is a beautiful country and would open up a new world for you. Also, it would probably be easier for him to find work there than here, unless he speaks English well and is trained in a profession.

Send your problem to Helen Worden Erskine, Be sure to enclose a stamped, self-addressed envelope, and address her in care of this newspaper. Send for letter, To Marry or Wait.

NAAWP Supports School Closing

LITTLE ROCK (AP)—The board of the Arkansas chapter of the recently formed National Assn. for the Advancement of White People has adopted a resolution supporting a proposed school-closing measure.

Mrs. Margaret Morrison, chapter secretary, said the resolution was adopted last night at a board meeting.

The measure is proposed Constitutional Amendment 32, which will be on the Nov. 8 general election ballot. It would permit local option abandonment of public schools faced with court-ordered integration.

A number of Arkansas organizations have taken a stand against the proposal. Among them are the Arkansas League of Women Voters and the State Committee on Political Education. APLAEO. Mr. Morrison said the NAAWP was organized to "fight communism and has many pro-segregation leaders."

20,000 to Register at Little Rock

LITTLE ROCK (AP)—An estimated 20,000 school children begin registering for public school here today. Among them will be 13 Negroes assigned to two integrated high schools.

About 5,500 Negroes are expected to register, all of them at Negro schools except for the 13 assigned to Central and Hall High Schools. Also, another 200 Negroes sought admission to all-white junior high schools, but their requests for transfers were denied.

Still pending is the appeal of another Negro, Irma Jean Routen, for re-assignment from all-Negro Torrance Mann High School to Central. She first was assigned to Central then was re-assigned when her parents inquired about her taking bond. She now seeks transfer back to Central.

This will be the largest group of Negroes ever to attend integrated schools here.

Nine Negroes attended Central in 1957-58, when Gov. Orval E. Faubus called out the National Guard to block court-ordered desegregation. Federal troops later enforced integration, but Faubus closed public high schools here the next year. They were closed last fall with a total of 100 Negroes attending Central and Hall, which was not integrated previously.

Security Firm Told to Give Back Money

LITTLE ROCK (AP)—

About 75 Arkansas residents who bought stock from Southwest Securities, Inc., should get either the stock or their money, a federal Securities and Exchange Commission attorney says.

L. R. Wyrick, Fort Worth, Tex., asked U.S. District Judge J. Smith Henley yesterday to modify a 1958 injunction which prohibits the firm from delivering stock of the General Insurance Investment Co. of Dallas until it is registered with the SEC.

Henley, who took the case under advisement, said, "These people ought to get something—either stock or money." But he said he wasn't sure he had jurisdiction.

Wyrick said SEC had hoped the injunction would bring about registration of the stock, but since it didn't the firm should be allowed to deliver the stock on demand the \$4,338 paid for it. Wyrick said purchasers would prefer the money "since they paid four or five times what it was worth."

Wayne W. Owen, Southwest Securities attorney, said that before the injunction he had asked to let the firm deliver the stock, but that SEC then had opposed such a plan.

Grants to State

WASHINGTON (AP)—The Public Health Service has awarded federal grants to two Arkansas cities to help finance sewage disposal projects. Sheridan got a eight, Negroes attending Central \$14,030 grant on a \$142,206 project and Hall, which was not integrated previously.

Material Missing
MANCHESTER, Mass. (AP)—A tube of radioactive strontium 90 is reported missing from an atomic research laboratory. A general alarm bulletin was issued Monday saying that the material was very dangerous.

Spa Hospital Has New Name

NOT SPRINGS, Ark. (AP)—The name of the Hot Springs Physical Medical Center will be changed to Libby Memorial Physical Medical Center in honor of a former National Parks Service superintendent. The center will be renamed for Donald S. Libby, who died here Sept. 25, 1959, while serving as superintendent.

Approval for the change was granted yesterday by the Department of Interior and the National Parks Service. Conrad L. Wirth, director of the Parks Service, will be the principal speaker at a dedication program Oct. 2. The entire Arkansas congressional delegation has been invited to attend.

Got His Picture

OTTAWA, Ill. (AP)—The La Salle County community of Sheridan gave photographer James Rieser an assignment—get a picture of the intersection of State Route 71 and a backlot road which would back the community's contention it was a traffic hazard.

Rieser set up his camera Monday. A short while later two cars collided at the intersection, injuring six persons, none seriously. Rieser got his picture.

Arkansan Elected

CINCINNATI (AP)—Mrs. Jack Griffin of Little Rock, Ark., has been elected president of the women's auxiliary of the National Postal Transport Assn. at the group's 36th national convention.

Contract Cancelled

NEW YORK (AP)—Comic star Jerry Lewis and the National Broadcasting Co. have canceled a contract calling for his appearance on six television specials this year.

Personal Mention

Miss Louise Amette Graham, daughter of Mr. and Mrs. Charles Graham, received her master's degree from Kansas State College of Pittsburg, Kansas recently. A 1951 graduate of Yerger High School and a 1955 graduate of Philander Smith College, she will return to Philander College to resume her work. She is a member of Sigma Gamma Rho Sorority.

Commissioner's Son Is Named

LITTLE ROCK (AP)—Jim Crain, Gov. Orval E. Faubus' first appointee to the state Highway Commission, is leaving. But the Commission still will have a Crain, his son, John.

Faubus announced yesterday that the elder Crain, of Wilson, had resigned. Faubus also announced the appointment of John Crain, 50, to succeed his father. The son reported his father resigned for health reasons. He had served since 1955.

John Crain is president of the Crain Co., which farms 25,000 acres in Mississippi County. Jim Crain is secretary of the company.

Cooks Have Much Easier Time Now

LITTLE ROCK (AP)—Foods with "built in" maid service give today's housewife a four-hour cooking advantage over her mother, a home economist says.

Miss Kay O'Neal, home economics director for the Kroger Food Foundation, Cincinnati, Ohio, said the meals it took five and a half hours to produce a generation ago now take only an hour and a half to prepare.

She credited the "built in" maid service of scientifically developed foods which need little preparation.

Legal Notice

NOTICE IN THE PROBATE COURT OF HEMPSTEAD COUNTY, ARKANSAS IN THE MATTER OF THE ESTATE OF BERTHA W. MCCLARTY, deceased No. 1397

Last known address of decedent: 303 South Pine Street, Hope, Arkansas

Thought For The Day

We cannot always oblige, but we can always speak obligingly. — Voltaire.

Calendar of Events

Revival services are in progress at the Turner Chapel Baptist Church, Rev. F. R. Williams, Pastor of the Garrett Chapel and Mums Chapel Baptist Churches, is the evangelist. The public is invited to attend. Rev. Jones is pastor.

The Usher Board of Mums Chapel Baptist Church, Prescott, will observe the Annual Ushers Day, Aug. 28 at 3 p.m. All Ushers Boards are invited. Highlight of the service will be the Quartet singing convention. Mrs. Adele Blake, president; Rev. F. R. Williams, pastor.

Don't forget that tonight is Adult Night at City Park. All activities are free except swimming. Fee for swimming is 25¢. Roscoe Smith, Supervisor.

Veterans of World War I of Hempstead Barracks 558 (Colorad.) will meet Sunday at 2 p.m. Commander Lee Tyus and Adjutant W. S. Williamson urge all members to be present.

Shirt Plant Coming to Arkansas

MOUNTAIN HOME, Ark. (AP)—The president of the Capital Shirt Corp. took to the people of Baxter and Marion counties today his proposal to locate a 1,500-employee shirt factory in this area.

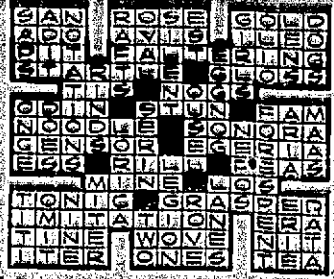

President Donald Cooper of New York said yesterday the area was acceptable for the plant and proposed a financing plan for locating here.

It would require approval of a bond issue in the two counties, said Tom Tinnon, chairman of the two-county Twin Lakes Industrial Development Committee. Cooper and William P. Rock, Arkansas Industrial Development Commission executive secretary, were to explain the proposal at five meetings today and tonight.

It would be the largest garment factory in Arkansas and the biggest single payroll in this area. Cooper's proposal apparently puts out of consideration other sites at Cave City, near Batesville, and in the DeQueen area.

Try New Spaghetti Meat Loaf

THE CHIEF ATTRIBUTES of a complete packaged spaghetti dinner, as any grateful homemaker will testify, are speed of preparation and convenience. But it also boasts the extra dividend of versatility. You'll find the spaghetti, a fast-cooking type, the finely seasoned sauce and a small can of grated cheese, can be transformed into something delectably different by adding a dash of imagination. Here is a Spaghetti and Meat Loaf that clearly illustrates this fine point.

SPAGHETTI MEAT LOAF

3 eggs 1/2 cup chopped parsley
2 lbs. ground chuck 1 medium onion, minced
1 1/2 teaspoons salt 1 pkge. Chef Boy-ar-dee spaghetti dinner with mushroom sauce
1/4 teaspoon pepper
2 cups soft bread crumbs

Start heating oven to 350° F. Cook spaghetti according to package directions. Meanwhile thoroughly mix meat, one beaten egg, salt, pepper, bread crumbs, chopped parsley and onion together. Then add grated cheese from the spaghetti dinner package in with this mixture and blend well. Beat two eggs and blend into mushroom sauce from spaghetti dinner package. Combine with cooked spaghetti, mixing well. Pack half of meat mixture into bottom of a greased loaf pan. Cover with spaghetti mixture. Then pack remaining meat mixture on top. Bake loaf in oven for 50 minutes or until spaghetti mixture is firm. Unmold and cut into slices.

Kennedy Has Put Himself on the Spot

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—Sen. John F. Kennedy has put himself in an awkward spot.

The Democratic presidential candidate argued Tuesday that the medical care bill he favored failed to pass because Democrats could make it an issue in the campaign. But he may have trouble making it pay off, for two reasons:

1. He suffered a smashing defeat. The Kennedy-backed proposal was beaten 51-44 in the Senate where the Democrats outnumber the Republicans 66-24.

2. He was defeated because 19 members of his own party, Southern Democrats, turned their backs on him and teamed up with 22 Republicans to kill the proposal.

Last July in Los Angeles the Democratic convention approved a campaign platform plank calling for a medical care-for-the-aged program under the Social Security system and paid for by a slight boost in the Social Security tax.

This was the kind of program supported Tuesday by Kennedy and his Vice-presidential running mate, Sen. Lyndon B. Johnson, leader of the Senate Democrats.

Kennedy threatened to make this kind of program a campaign issue by warning the Republicans if they ganged up to kill it "then I think we should take the matter to the people of this country."

But how is he going to make it a campaign issue now by blaming the proposal's defeat on the Republicans when 19 members of his own party joined the Republicans to administer the defeat?

Since the Kennedy-backed plan was defeated 51-44, if only four of the 19 Southerners who joined 32 Republicans in killing the measure had voted with Kennedy, the final tally would have been 48-17 in favor of it.

Since it was his fellow Democrats who made repudiation of the platform promise possible, Kennedy will have a difficult time arguing that a Democratic victory in November will mean the platform promise can be carried out at all.

Maybe it was just a bad day for presidential candidates anyway.

Earlier Tuesday a different kind of medical care program for the aged backed by Vice President Richard M. Nixon, the Republicans' presidential candidate, was also defeated.

The vote on that one was 67-28, with not one Democrat supporting it. In fact, five Republicans deserted Nixon to go along with 62 Democrats to beat it.

At the end of the politically tormented day the Senate finally rammed through—by a 91-2 vote—a bill to make some medical provisions for needy old people. The two who voted against even this measure were Sens. Strom Thurmond, a South Carolina Democrat, and Barry Goldwater, Arizona Republican.

In the Kennedy-backed proposal which was defeated, only one Republican, Sen. Clifford Case of New Jersey, joined 43 Democrats in voting for it. Otherwise the Republicans—32 of them on the floor at the time—voted solidly against it.

This was a kind of political tilt-for-tat, paying back that completely solid Democratic vote against the Nixon-backed proposal.

While 19 Southern Democrats were voting against Kennedy, by teaming up with the Republicans, only four Southern Democrats voted on his side.

They were: Sens. Albert Gore and Estes Kefauver of Tennessee, and Sens. Lyndon Johnson and Ralph Yarborough of Texas.

Last week the Senate passed a \$1.25 minimum wage bill—this was also part of the promises in the Democratic platform—by a vote of 62-34. On this one 47 Democrats and 15 Republicans joined forces to put it over.

But of the 34 voting against it 18 were Republicans and 16 Democrats, most of them again being Southern Democrats.

Negroes Seek to Get Out Vote

LITTLE ROCK (AP)—Negro leaders from throughout Arkansas will discuss methods to get out the Negro vote for the November general election at a meeting tomorrow.

W. C. Patton of Hot Springs, an associate director of voter registration for the National Association for the Advancement of Colored People, will speak and conduct a discussion.

Rev. J. C. Crenshaw, pastor of the Little Rock NAACP church, said Patton had conducted a successful voter registration drive in other states.

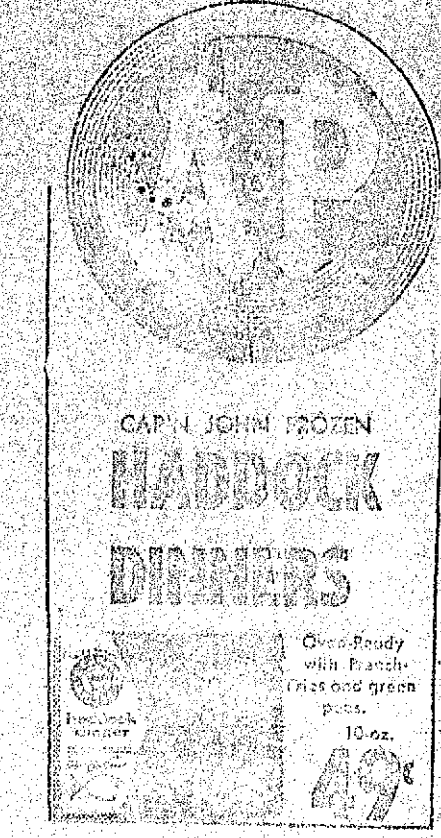

Crenshaw said that more than 30 days remain in which voters may pay poll taxes to become eligible to vote in November. The poll tax deadline is Oct. 1.

Held for Slaying

MCGEEHEE, an Arkansas Negro police sergeant, was held on an open charge here in connection with the fatal shooting of a white man, 34, also a Negro, on a street corner Monday night.

Live Virus Probably Next Year

WASHINGTON (AP)—U.S. Surgeon General Leroy E. Burney today announced a timetable to lead to licensing of live polio virus vaccine next year for use in the United States.

The head of the Public Health Service told a news conference. "It is not anticipated that the vaccine will be available in any quantity for a number of months and it is doubtful whether substantial supplies will be available before mid-1961."

The regulations which are now in process of being formed will limit initial licensing to three strains developed by Dr. Albert Sabin of Cincinnati. They have been widely used in a number of foreign countries.

Burney said that any manufacturer interested in production of the live vaccine will be permitted to use the Sabin strains, as he understands it, because they were largely developed under grants from the National Foundation, formerly the National Foundation for Infantile Paralysis.

Burney emphasized that in the best judgment of health experts now the live vaccine will not replace the presently used Salk vaccine.

Electrical Wire Burns 2 Persons

SMACKOVER, Ark. (AP)—A 13,000-volt electrical wire fell across a car which was being filled with gasoline yesterday causing a fire which burned two persons, neither seriously.

Mrs. Inez West, 55, the service station operator who was filling the gas tank, was treated at a clinic here for burns on her arms and legs. She was released. The driver of the car, Don Taylor of Smackover, received first aid for minor burns.

A gasoline pump also caught fire, but was extinguished.

An Arkansas Power & Light Co. spokesman said the reason for the cable's fall was not known.

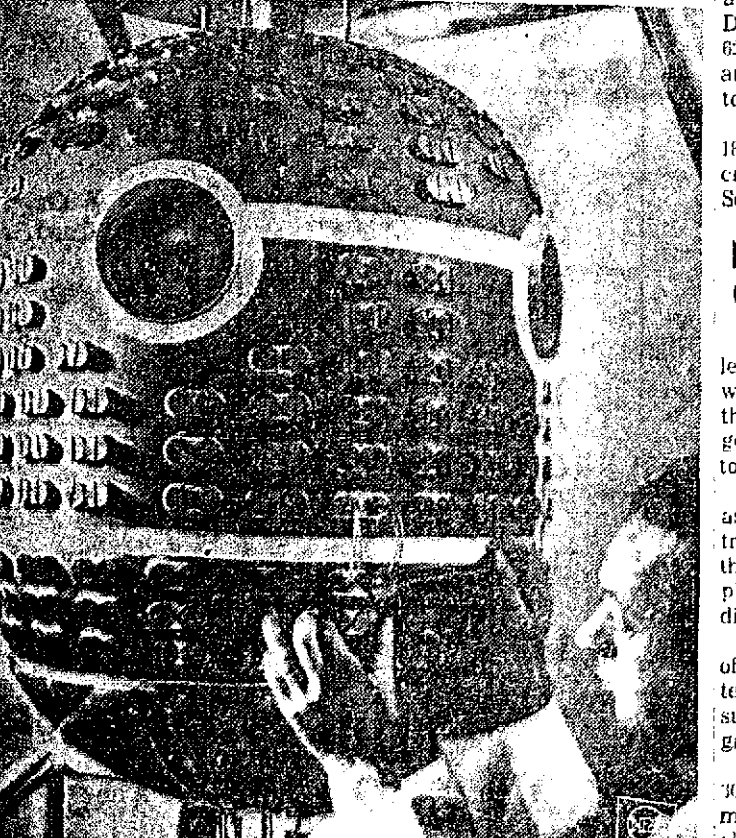

OUT OF TOMB—India's Prime Minister Jawaharlal Nehru emerges from an Egyptian tomb in Luxor, U.A.R. Tourist Nehru also examined Egypt's Aswan Dam project.

Relief for Needy

MANILA (AP)—The biggest disaster relief program in the Philippines since World War II was in full swing today as continuing rains kept most of five central Luzon provinces at the mercy of flood waters.

Rivers rose, breaking a dam in Tarlac province, destroying other river control works in Nueva Ecija and Pangasinan provinces and flooding towns and villages.

About 80 towns were reported flooded.

DESIGNED FOR SPACE—SNAP-1A, "big brother" of the space-sized SNAP-9 generator unveiled by President Eisenhower last year, is prepared for tests at the Martin Company in Baltimore. SNAP-1A (System for Nuclear Auxiliary Power) is intended to provide power for a space satellite. Screw-headed caps on its surface are thermocouples. Pellets of an atomic waste material, Cerium-144, will be placed inside the unit. As the material decays, it will heat the inner ends of the thermocouples. Since the outer ends will remain cool, a steady current of 125 watts will be created.

Beef Supply Hits an All Time High

By THE ASSOCIATED PRESS

With beef supplies reaching an all-time high, roasts are widely reoffered as weekend specials at supermarkets and neighborhood stores.

Round, chuck and rib roasts get top billing for Sunday dinner tables or outdoor spreads.

The Department of Agriculture says housewives probably will pay about the same prices for the better cuts of beef for the next few months.

However, hamburger and the cheaper cuts usually decline in the late summer and fall.

Pork prices are somewhat higher.

Frying chickens are featured in Baltimore, Washington and Los Angeles. Prices are down 4 to 8 cents a pound from a week ago. Egg prices rose 2 to 4 cents a dozen.

Peaches continue to be in heavy supply from the largest crop since 1946. Also abundant are watermelons, tomatoes, corn, peppers and eggplant. Eastern onions, parsley, beets and Eastern potatoes.

The good-buy list includes snap beans, broccoli, carrots, Chinese cabbage, endive, escarole, lettuce, radishes, squash, spinach, tomatoes and sweet potatoes.

On the fruit counters the best buys are watermelons, huckleberries, cantaloupes, honeydews, limes, peaches, and Western Thompson seedless grapes.

Apples, avocados, plums, California oranges and Florida mangoes are good buys.

How Far Will That Easier Money Spread

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—How far and how fast will the trend toward easier money spread?

Short-term interest rates turned downward months ago. The first signs of easier mortgage terms have been reported. But it was only this week that the banks took the first step toward making business borrowing cheaper.

The stock market greeted the cut in basic interest charges by many top U.S. banks as a promise that easier money would needle a sluggish economy. The bulls saw it as inspired by government financial agencies and aimed at getting business on the go again.

But many brokers aren't so sure that the easier money trend will spread to all bank borrowers soon. The cut to 4 1/2 per cent from 5 per cent was in the prime rate. And that is afforded only to a relatively few of the biggest corporations with the best credit ratings. These are the ones that are said to suffer least when money is tight and dear.

The majority of bank loans are made at higher rates. And each bank—with an eye on what its competitor is doing—determines how prime a customer is and how much he should pay for whatever money the bank is able and willing to lend him.

Even the charmed circle of those enjoying the prime, or lowest, interest charge is subject to contraction in times of tight money, or to expansion when the banks have idle money on their hands they need to put to work.

Many banks complain that they are loaned up at present. This is especially true in some booming sections, such as the Pacific Coast, where bankers are saying there's no slackening in demands for loans and no reason for them to cut interest charges. And lending conditions and rates are often quite different in the big cities and the smaller ones.

While these banks may drop the prime rate, they can prune the prime list. And some say they may.

The Federal Reserve Board has taken pains to see that the banks as a whole have more money they can lend. It has twice cut the costs of borrowing such money from its banks, once in June and again this month.

And between today and next Thursday it is relaxing various bank reserve requirements so that in all some 600 million dollars more will be made available. These added reserves could be used to swell loans by about 3 1/2 billion dollars.

This should come in handy, since demand for business loans normally turns upward the fall as factories borrow to produce and retailers to carry stocks for the Christmas trade.

Sober Group to Taste Test Wine

BUDAPEST, Hungary (AP)—A sober international group has settled down in a medieval castle here for a fortnight's tasting of 323 wines from 22 countries. The tasters—from Austria, France, the Soviet Union, Czechoslovakia, Romania, Bulgaria and Hungary—are judges in Budapest's second international wine competition.

MUCH BETTER THAN ONE—Sculptor Heinrich Husgen, 66, has presented his daughter, Doris, 31, an unusual birthday gift each year—a likeness of her. The heads provide a unique record of her growth as well as her father's development as an artist. He plans to continue the practice as long as he is able.

ELBOW ROOM—There are 27 elbows here if you count the two pretty ones belonging to Shirley Haag. She's leaning on the 42-inch-diameter forged steel elbow, largest of the group which ranges down to a half-inch. The Chemetron products were displayed in Louisville, Ky.

Chatter on Action of Stock Market

NEW YORK (UPI)—The ability of the stock market to stage a slow but steady recovery this month indicates that adverse earnings and international factors have been pretty well discounted, according to the Alexander Hamilton Institute's investment bulletin.

"The proof of whether the current stock market advance is the beginning of a sustained recovery, or another short term rally, will depend on improved third and fourth quarter earnings. 'As yet,' the institute says, 'we see no confirmation of a definite trend.'"

According to a follow-up report on Mesabi Iron by Ira Haupt & Co., dividends of \$5.00 a share next year are anticipated assuming a favorable Treasury ruling on the company's proposal to create a royalty trust. Also, it says, a sizeable stock split appears likely in order to provide for increased marketability and make the stock attractive for institu-

tional buyers.

Standard & Poor's "Outlook" recommends seven aircraft-missile issues: Boeing, General Dynamics, Grumman, Lockheed, Martin Co., North American Aviation and Northrop.

Walston & Co. provides a very favorable description of Plough, Inc., whose net this year should rise to \$2.50 a share from \$2.10 in 1959. This would make it the ninth consecutive year in which profits have established a new record, Walston says.

For those who like to buy at the bottom, it would appear that two of the meat packers, Armour and Morrell, present excellent vehicles, according to Bache & Co. The unfavorable portion of the hog cycle may be drawing to a close and pork volume should begin to improve starting in the spring of 1961.

72,404 on Welfare

LITTLE ROCK (AP)—A total of 72,404 persons have received welfare grants totaling \$3,736,311 this month, the Welfare Department said yesterday. This was a likely increase in payments because of a drop of \$56,803 in payments through a gain of 81 cases over the stock attractive for institu-

Let Off That Steam, Milton Berle Advises

By HAL BOYLE

NEW YORK (AP)—Milton Berle, rich and famous and owner of a stockpile of at least eight million jokes, has a simple formula for staying healthy—blow your top!

"The quickest way to get ulcers is to hold in your feelings when you are upset or annoyed," the comedian said.

"I believe in letting them out—not in tears, but verbally. A good shout can prevent an ulcer."

"I learned that early in television. You have to let off steam."

"I believe this is true not only in the theatrical field, but in social life, at home and in business. It is one of the secrets of not getting in bad with your stomach."

Berle is a man who practices what he preaches. During a recent luncheon he was interrupted by a series of telephone calls. At each he erupted as regular yaks a geyser.

"Everybody thinks I'm Alexander Graham Bell," he grumbled. But he currently is in a state of personal euphoria and wide good will. Next month he acts as host on a bowling program.

"I've made so many comebacks I couldn't count them," he remarked cheerfully.

"This is something new in my career, but I've been a sports enthusiast all my life."

At 52, a veteran of 42 years in show business, the fast-talking comic says he has no real professional goals left to conquer.

He has starred in vaudeville, movies, radio and television, and he is still one of the nation's highest-paid night club performers.

A lifetime contract with the National Broadcasting Co. guarantees him a six-figure income annually until 1980.

Many people have wondered how he has stayed on top so many years, but Berle, still as brash as a turp at a wedding ceremony, has no doubt. He feels it is the quality of endurance beaten into the real show world pros by hard times in their youth.

"Too many people simply give up too easily. You have to keep the desire to forge ahead, and you have to be able to take the bruises of unsuccess," he said.

"You have to be able to flop at McKeesport, to die at Steubenville—and still go on. Success is just one long street fight."

Here is Berle's philosophy, as he sees it:

"Do the best you can, when you can, if you can. Make people laugh and be happy yourself, or the whole thing isn't worth while."

TB Detection Plan Costly

LITTLE ROCK (AP)—An adequate program of tuberculosis detection and treatment in Arkansas would cost an estimate \$439,000 a year.

This was the figure advanced by Dr. J. T. Herron, state health officer, before a Legislative Council committee today.

The committee is studying the tuberculosis prevention program at the urging of Sevier Rep. George O. Davis.

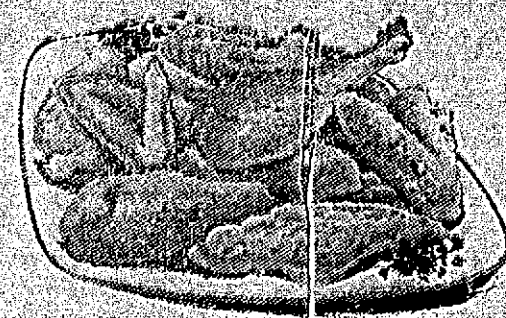

Herron noted that the Health Department got about \$68,000 in federal funds and no state funds for the tuberculosis control program this year.

This money was used to finance an X-ray detection program. Herron said X-ray detection is not enough to control the disease. Selective skin testing, a series of treatment clinics and more use of modern drugs are needed, he said.

Arkansas' tuberculosis death rate is about double the national average.

Blasts in Havana

HAVANA (AP)—Two bombs exploded Monday night in the Vedado district of Havana, near the Habana Libre Hotel, throwing several blocks of the area into darkness. There were no injuries reported.
